Photo Session Schedule Saturday, March 28th , 2015

This year we are thrilled to have *Houston Family Magazine's* own photographer: Alisa Murray. You can see her work at <http://alisamurray.com/>.

The photo shoot takes place at our Grace United studio (1245 Heights Blvd, the building with "Grace United" painted on the side). *Please arrive 15 minutes before your appointment in order to get your "fairy crown."* Fairy crowns must be left at the school after the photo shoot. Students will get a fairy crown to take home after the Parents' Day Demonstration in May. ***Toddler, CM1 and CM2 should wear either black or soft colors such as pink or white. Please do not wear patterns or strong or vibrant colors. Preballet and up should wear their dress code uniforms.***

New ordering system this year: All photos will be posted to a password-protected website. You choose the photos you want and place your order. Photos will be mailed to your home.

If you cannot make the class time, you are welcome to come anytime during the photo session for your individual photo.
