Photo Session Schedule Saturday, March 4th, 2017

This year we are thrilled to have *Houston Family Magazine's* own photographer: Alisa Murray. You can see her work at <http://alisamurray.com/>. All photos will be posted to a password-protected website. You choose the photos you want and place your order. Photos will be mailed to your home.

The photo shoot takes place at our Grace United studio (1245 Heights Blvd, the building with "Grace United" painted on the side). *Please arrive 15 minutes before your appointment in order to get your "fairy crown."* Fairy crowns must be left at the school after the photo shoot. Students will get a fairy crown to take home after the Parents' Day Demonstration in May. ***Toddler, CM1 and CM2 should wear either black or soft colors such as pink or white. Please do not wear patterns or strong or vibrant colors. Preballet and up should wear their dress code uniforms.***

If you cannot make the class time, you are welcome to come between noon and 3 pm for your individual photo.
