CLAIRE SCHOOL of DANCE

September 3, 2019 ~ May 9, 2020

Philosophy

For over 20 years, the Claire School of Dance has provided quality dance education focusing both on the joyful exploration of movement and the careful development of technique. Our classes prepare those who might choose to make dance a career, yet nurture the love of movement in all students.

About our Teachers

Ms. Claire, and several of our ballet teachers, are certified in the National Training Curriculum of the American Ballet Theatre (Primary through Level 3). All teachers at the Claire School of Dance are performing artists as well as experienced teachers. Our teachers have performed at Houston Ballet, Alley Theatre, Diverseworks, and abroad. Our teachers represent a range of ballet styles, including Vaganova, Royal Academy of Dancing (R.A.D.), and Balanchine. All teachers receive extensive training in the syllabus and are monitored and updated regularly in teaching techniques and syllabus requirements.

About Our School

Class syllabus is based on the American Ballet Theatre National Training Curriculum. Our teaching is based on the principles of attention to the individual and generous positive reinforcement.

In order to provide quality instruction, our classes are limited to 10 to 12 students. In addition to imparting technique and instilling discipline, our teachers encourage individual creativity, self-esteem, and a love of dance.

Classes are held at Lambert Hall and our Grace United studios. Both locations are fully professional facilities with sunlit and airy studios equipped with triple weave sprung floors for the protection of the dancers' bodies.

About Our Classes

Our Early Childhood Program, which includes Tiny Toes and Creative Movement 1, 2 and 3, is for students 18 months through Pre-K. Our Foundations Program is for students Kinder through Second Grade. Kinder students take Pre-Ballet and First and Second grade students take Primary A & B. Pre-professional classes, open to students aged 7 and up, are traditionally structured ballet classes. In addition to ballet, jazz and tap classes for children, we also offer intermediate/advanced level ballet classes for adults. We are also home for adult tap classes.

Students enrolled in Preballet, Primary and Level classes perform in our annual Nutcracker and recital. New students can enroll until January 31. No new students will be accepted after February 1st. Visit our website for more information.

Placement

Placement is at the discretion of the instructor. Students with no previous experience must enroll prior to January 31 unless joining a newly-created beginner class. It is anticipated that students in the Level programs will spend two years at each Level. For more information about placement, please contact the School Office.

About Our Other Programs

Our summer programs include weekly classes as well as a variety of week-long camps, dance and non-dance. Our studio is also home to ballet, tap and classes for adults. Our adult ballet classes are taught by current or former Houston Ballet dancers. We also offer Birthday Party Packages that include use of our party room, full creative movement class, and gifts for birthday girl and guests. See our website or call our office for more information.
